Resident Testimony – EV (Guardian House)

“Pride, courage, patience, self-worth, and compassion are just a few things that OOWH has helped me get back into my life. Through the compassion, caring and guidance of the staff, community and the many others that touched my life, I wouldn't have come as far as I have today. Not to say the journey is over, far from it. OOWH has paved the roads. It's up to me to choose which one to take for my never-ending journey through life in sobriety.”
